Objective

I am seeking a dynamic technology internship to apply my passion for quality assurance, problem-solving, and commitment to learning. I am dedicated to contributing to a forward-thinking team, and I aim to enhance my software testing and quality control skills while ensuring excellence in cutting-edge tech solutions.

Skills

- **Programming:** Proficient in Java, C#, C, and Python.
- **Web Development:** HTML, CSS, JavaScript, and web app creation.
- **OOP:** Strong grasp of Object-Oriented Programming.
- **Databases:** Knowledge of Microsoft SQL and database management.
- **Cross-Platform App Development:** Basic .NET skills.
- **Desktop & Web Development:** Java and web app development.
- **Group Collaboration:** Effective team player.
- **Problem Solving:** Strong analytical and problem-solving skills.
- **IELTS Score:** 6.5 for proficient English communication.

Activity

- FPT Coreteam: Event Communication Department Member (2017-2018)
- Big Open Day: Event Organizer (2019)
- Tet Dan Gian: Event Media Leader (2018-2019)

My Experience
